

Memorial Day Information

Each year, local Boy Scouts, Cub Scouts and Girl Scouts, along with community volunteers, flag headstones that are clearly marked with military medallions or military verbiage. This occurs the Sunday prior to Memorial Day.

Effective Memorial Day 2025, Sunset Memorial Park will provide a flag in our office for families to self-flag all other memorials that are not identified as a Veteran's memorial.

All flags will be collected by Sunset Memorial Park immediately following the holiday to be reused in the future.

***Please note that our normal park pickup prior to Memorial Day begins one day earlier, on Tuesday May 20th, so that the entire park can be mowed by Friday.**
